## INDEPENDENT AUDITORS' REPORT

To the Board of Directors  
Muskogee Organization for Narcotic and Alcohol  
Referral Counseling and Help, Inc.

We have audited the accompanying financial statements of Muskogee Organization for Narcotic and Alcohol Referral Counseling and Help, Inc. (MONARCH) (a nonprofit organization), which comprise the statement of financial position as of June 30, 2013, and the related statement of activities, functional expense, and cash flows for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

See notes and independent auditors' report.

**1. SIGNIFICANT ACCOUNTING POLICIES**

The Muskogee Organization for Narcotic and Alcohol Referral Counseling and Help, Inc. (MONARCH, INC.) is a nonprofit corporation organized December 19, 1983 and existing under the laws of the State of Oklahoma for the purpose of furnishing the necessary facilities, material and qualified personnel to provide alcohol/drug abuse treatment services. MONARCH, INC. began operations February 1, 1984 as an independent contractor operating under an annual fee-for-services contract with the Oklahoma Department of Mental Health and Substance Abuse Services, (the Department). The following is a summary of the more significant accounting policies employed by MONARCH, INC.

**Basis of Accounting**

The accompanying financial statements of MONARCH, INC. have been prepared on an accrual basis of accounting.

**Cash**

For the purpose of reporting cash flows, MONARCH, INC. considers all highly liquid instruments with an original maturity of three months or less to be cash.

**Fixed Assets**

Expenditures for physical properties are stated at cost. Donated assets are recorded at their estimated fair market values at dates of contribution.

Depreciation of physical properties is computed on the straight-line method over the estimated useful lives of the related assets. Expenditures for maintenance and repairs are charged to expenses as incurred. Additions to plant and equipment with a useful life of more than one year and a cost of more than \$500.00 are capitalized.

When assets are retired or otherwise disposed of, the assets and related allowances for depreciation are eliminated from the accounts.

**Allocation of Supporting Services Expenditures**

Although MONARCH'S present purpose is solely the operation of drug and alcohol abuse programs, for financial statement purposes, it allocates its expenses between those directly attributable to programs and management and general expenses. The allocation of each expense is made on the basis considered most appropriate for that element of cost.

**Income Taxes**

MONARCH, INC. Is a non-profit organization generally exempt from income taxes under Internal Revenue Code Section 501(c)(3).

See notes and independent auditors' report.

**MONARCH, INC.**

**Non-Medical Detoxification** - These services are provided to those women in need of detoxification and who will enter either the Residential or Community Living programs.

**Community Living (HWH)** - Services are provided to pregnant/postpartum women and women with children. This program is designed to assist this population in a less restrictive environment than the residential program. **REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON  
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING  
STANDARDS***

To the Board of Directors of  
Muskogee Organization for Narcotic and Alcohol  
Referral Counseling and Help, Inc.  
Muskogee, Oklahoma

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States the financial statements of Muskogee Organization for Narcotic and Alcohol Referral Counseling and Help, Inc. (MONARCH) (a nonprofit organization), which comprise the statement of financial position as of June 30, 2013, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 14, 2013.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Muskogee Organization for Narcotic and Alcohol Referral Counseling and Help, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of MONARCH's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the organization's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

See notes and independent auditors' report.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether MONARCH's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and no to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM  
AND INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133**

To the Board of Directors of  
Muskogee Organization for Narcotic and Alcohol  
Referral Counseling and Help, Inc.  
Muskogee, Oklahoma

We have audited Muskogee Organization for Narcotic and Alcohol Referral Counseling and Help, Inc.'s (MONARCH) compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of MONARCH's major federal programs for the year ended June 30, 2013. MONARCH'S major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

***Management's Responsibility***

Management is responsible compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs.

***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for each of MONARCH's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about MONARCH's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of MONARCH's compliance.

See notes and independent auditors' report.

### ***Opinion on Each Major Federal Program***

In our opinion, Muskogee Organization for Narcotic and Alcohol Referral Counseling and Help, Inc. complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2013.

### **Report on Internal Control Over Compliance**

The management of Muskogee Organization for Narcotic and Alcohol Referral Counseling and Help, Inc. is responsible for establishing and maintaining effective internal control over compliance with the requirements referred to above. In planning and performing our audit of compliance, we considered MONARCH's internal control over compliance with requirements that could have a direct and material effect on a major federal program to determine the auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of MONARCH's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that a material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Report on Schedule of Expenditures of Federal Awards Required by OMB Circular A-133**

We have audited the financial statements of Muskogee Organization for Narcotic and Alcohol Referral Counseling and Help, Inc. as of and for the year ended June 30, 2013, and the related notes to the financial statements, which comprise MONARCH's basic financial statements. We issued our report thereon dated November 14, 2013, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming our opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal and state awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and

relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditure of federal and state awards is fairly stated in all material respects in relation to the financial statements taken as a whole.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
